Profile Summary

As a JavaScript geek, I love JavaScript and worked a lot with JavaScript based frameworks and libraries. Especially I have got rich experience with JavaScript based SPA such as React, Vue and Angular recently.

I have also worked with other languages such as PHP (mostly Laravel), Python (mostly Django) and e-commerce platforms such as Shopify and WooCommerce.

Work Experience

Dec 2019 - Nov 2020

Full Stack Developer
Brandollo, United States

- Upgraded a powerful SaaS using VueJS and Vuex, Vuetify framework
- Developed headless CMS with React.js, Node.js and Strapi
